Subject: Copy of the Reclamation Contract for Small Mining Operations on Bureau of Land Management Lands in Utah, Dale D. Rogers, Pleasant Mine, S/023/0109, Juab County, Utah

Dear Mr. Rogers:

Thank you for submitting the new reclamation contract for the Pleasant mine operations which is on lands managed by the Bureau of Land Management. The Associate Director for Mining, Dana Dean, has signed the contract, and a copy is enclosed for your records. Also enclosed is the superseded reclamation contract.

The Division of Oil, Gas and Mining received the 2014 and 2015 permit fees for the Pleasant Mine but did not receive the annual report for these years. **Please fill out and return the annual reports for 2014 and 2015 by May 9, 2016.** Copies of the annual report forms are included with this letter, and they are also available at on the Internet at https://fs.ogm.utah.gov/pub/MINES/Minerals_Related/FORMS/MR-REV.pdf.

In addition, the Division has not yet received a W9 form. The W9 is an Internal Revenue Service form required by Zions Bank so the bank can report interest on the account (owned by you) to the IRS. Without this form on file, Zions Bank cannot accept additional money in the account if this become necessary, and it cannot release funds when reclamation is completed. You can obtain the form from **May 9, 2016.**

Please contact the lead inspector, Wayne Western at 801-538-5263, or me at 801-538-5261 if you have questions concerning this action.

Sincerely,

Paul Baker
Minerals Program Manager
